Donations to the Library

The library deeply appreciates donations made in honor of a loved one or special event.

Donations were recently received from:
[Ms. Ronayne Rich](#)

Meet Andrew Kim

I have long admired the Glencoe Public Library. It's an architectural treasure, home to a staff known for legendary service, and a community institution beloved by residents and nonresidents alike. For me, being offered the executive director position was both an honor and dream fulfilled.

I wouldn't even be in this life moment without my wife, Michelle. She's my compass and dearest friend. She's also the person that encouraged me to "do what you love to do." So, here I am: a lifelong library user who became a librarian who became the director of his favorite public library. I hope to see my three children grow up here and learn to love this library as I have.

I grew up in Morton Grove spending springs, summers, and a few falls following the Cubs. I enjoy music, be it rock and its variations, selected soul and R&B, traditional country like Johnny Cash—actually, only Johnny Cash—and even hip-hop. And I'd much rather see classical music performed than listen to a recording. I read nonfiction, but with three young ones, I read Mo Willems the most lately.

I appreciate this opportunity and will do my best to deliver the services, collections, and programming that Glencoe deserves.
