VISITING PROFESSOR

Lisa C. Niziolek on the Terracotta Warriors

Sunday, March 13, at 2:00 p.m.

After uniting a country and constructing the first Great Wall, the first emperor of China was laid to rest in a massive burial complex. Guarding it was a terracotta army intended to protect him in the after-life. More than 2,000 years later, some of Qin Shihuangdi's eternal warriors are making the journey to Chicago's Field Museum as part of an exhibition titled "China's First Emperor and His Terracotta Warriors." Opening March 4, the show features more than 170 objects, including stunning bronze artifacts, weaponry, and 10 of the famed terracotta figures.

In this slide presentation, Dr. Lisa Niziolek, postdoctoral researcher in East Asian anthropology at the Field, will highlight some of the artifacts featured in the show and provide a brief introduction to the first emperor and the Qin Dynasty.

This program is sponsored by the Friends of the Glencoe Public Library.

Library Staff News

MEET EVA THALER-SROUSSI

Eva Thaler-Sroussi

When I joined the Children's Department in April, I was thrilled to be embraced by the talented team at the library. As a Glencoe resident for over a decade, I knew that the library was the place to be, but I was pleased and excited to discover that the staff is just as warm and welcoming behind the scenes as they are with patrons.

My path to working in the Children's Department was not direct. Along the way I earned a Master's Degree in English Literature and in Communications. I hold a J.D. and spent many years as a practicing attorney. Throughout my life I worked in bookstores, libraries and law firms, an unusual trio, but when I began to volunteer in the library at South, West and Central Schools I realized that my passion for children, learning, and sharing would lead me back to school. I completed my Masters in Library Science in August 2015. You can see that I truly embody the "life-long learner" approach that we encourage at the library. I found my home in libraries where I learn something new every day and am lucky enough to get a chance to share my knowledge and love of books with my home community.

When I am not at the library you will find me around town walking our rescue dog Archie, shuttling family members to and from activities or reading a book, of course. You can also visit me at the Skokie Public Library where I work part-time in Community Engagement. Please come by to share something that you have learned, discuss a book recommendation, ask a question or just to say hi.
