Spring 2025

An Evening with Carrie Hoza

Carrie Hoza is a former U.S. Army captain deployed to the Sunni Triangle in Iraq from 2004–2005. As a female leader of a platoon of 35 men, Captain Hoza drove 40-ton truck-loads of JP8 jet fuel in unpredictable conditions on dangerous roads. Her platoon ran mission after mission; tragedy sometimes struck and soldiers were injured or killed. She received the Bronze Star Medal for leadership and service.

Throughout her deployment, Captain Hoza wrote emails home to family and friends in Winnetka in an effort to stay connected and upbeat. Her emails were shared widely and recently compiled into a book, *Love, Mother Goose: A U.S. Army Captain's Stories of Surviving the Sunni Triangle*, that tells her platoon's story of survival, courage, and resilience.

You're invited to join us in the library for a slideshow lecture with Carrie Hoza. Copies of her book will be available for purchase and signing. *Cosponsored with the Glencoe Council for Inclusion and Community.*

SABRINA NIZZI

I am thrilled to join the Glencoe Library team in Circulation! As an Evanston native who spent much of my earlier career in advertising away from the area, it’s a true pleasure to be back in the North Shore of Chicago. My journey to a professional “second act” has been a unique and rewarding adventure. I’m passionate about community service and have been involved

with several nonprofit groups, including founding one during the pandemic that provides tech support for seniors with the assistance of high school students. Recently I have helped to coordinate the donation of gently used children’s books and other learning tools from local libraries to area organizations assisting families in need.

In my free time, I enjoy cooking and creating art. I specialize in alcohol ink painting and love framing my work with frames found in second-hand shops. These frames carry their own stories and character, making it especially meaningful when I find the perfect match for a painting. I’m drawn to this area for its incredible people, breathtaking Lake Michigan sunrises, and the strong sense of community that makes it such a special place. I look forward to meeting and collaborating with everyone!
